

Africa United Champions

Attention Premier League Winners Of Weekly Leagues:

Since some teams are separated due to divided leagues on different nights, it is difficult to officially declare who the best team in the club really is.

Therefore, we will be hosting a tournament to attempt to find this team.

The way it will work is that the league winners from the Premier Division on Monday, Tuesday, Wednesday, Thursday and Sunday will be entered into a free tournament where each team will play each other once. One group, five teams.

Top two teams who finish in the group will face off in a final to battle for the right to call themselves the best team at Africa United Old Parks.

The tournament will take place sometime between the final week of season and the weekend following. The winner of this mini tournament will win a full Kappa kit and a free season.
